**Improper Submission of Authorization to Permit Access to
Application by Participating Offices under 37 CFR 1.14(h)**

The Authorization to Permit Access to Application by Participating Offices under 37 CFR 1.14(h) (authorization to permit access) on 06/07/2010 in application number 10/507,021 is not accepted because of the reason(s) listed below:

- The authorization to permit access is not on a separate document. See 37 CFR 1.14(h). If applicant still wishes to provide authorization to permit access under 37 CFR 1.14(h), applicant must submit an authorization on a separate document (e.g., PTO/SB/39).

Any authorization should be submitted prior to filing a subsequent foreign application with a participating intellectual property office in which priority is claimed to the above-identified U.S. application to ensure that it is likely that the participating foreign intellectual property office will be successful in its attempt to retrieve a copy of the U.S. priority application from the Office.
